Once upon a time, there was a young girl who would travel into the deep mountains to collect mushrooms. She would give all the money she made from selling those mushrooms to her parents.

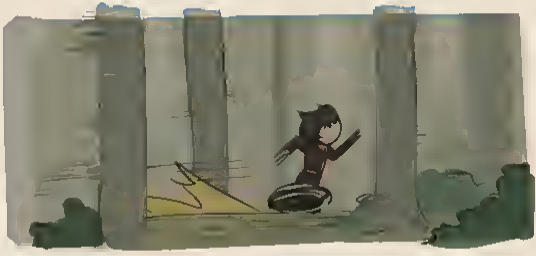
Only, her parents were not her real parents. What's more, she was overworked from being the only one who did chores around the house.

The money the young girl earned was wasted by her step-parents on meaningless things, like liquor and gambling, while the girl did not get a single baht for herself.

Her misfortune did not end there. One day as she was collecting mushrooms in the deep mountains ..

RAWR!
bear

The girl dashed off without thinking
which way she was going...



And soon she had reached the end of the path.

Oh no! A cliff!

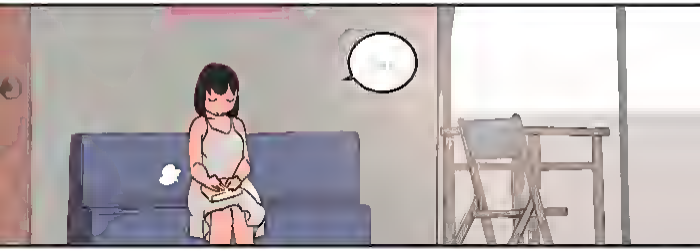
The ferocious-looking bear was close behind her.

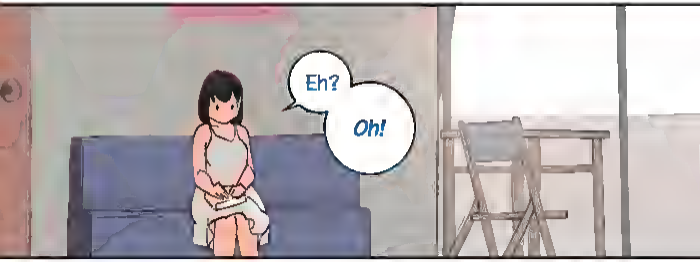
But!
Suddenly!!!
!

GRAB!

Mr. Bear...
....

TL/N The author intentionally spelt it wrong





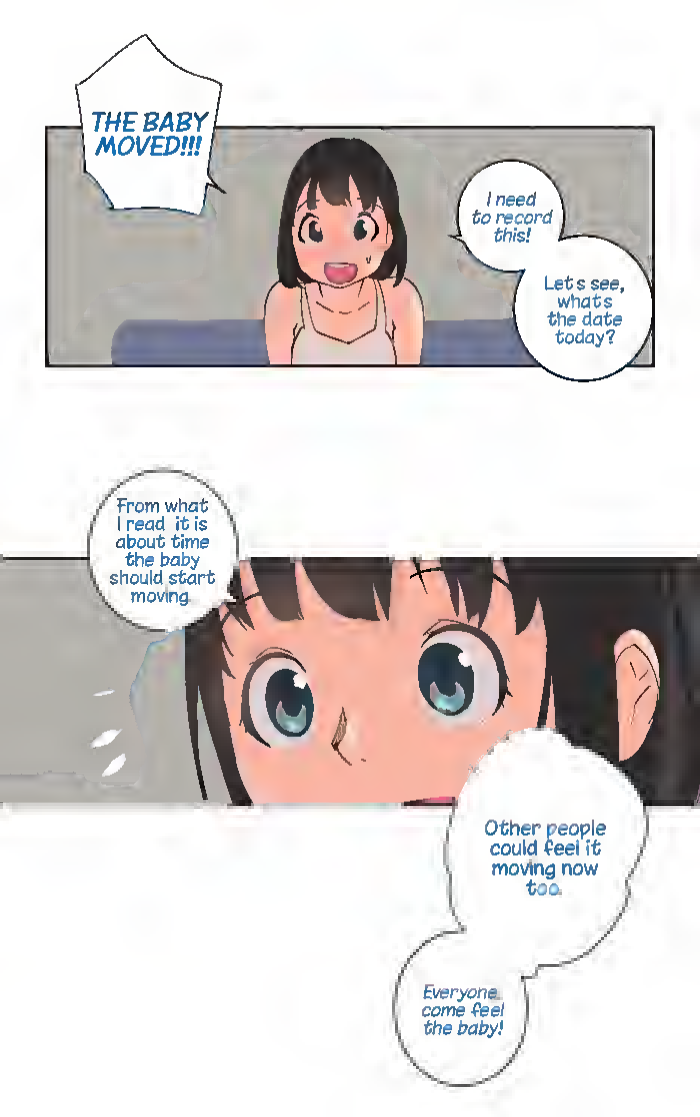
T-This...

Is this it?

Yes!

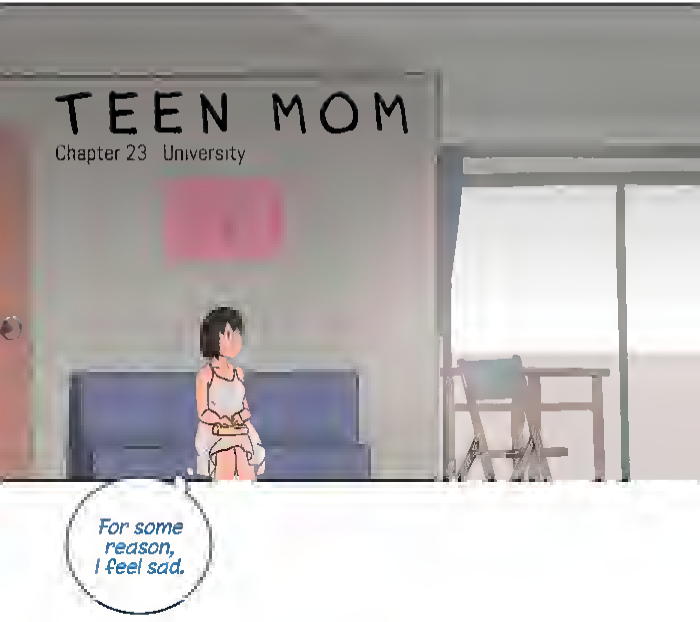
This is the first time...

My baby is moving.



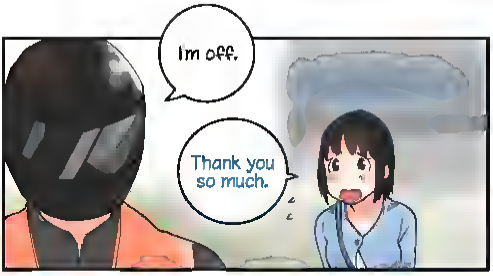
THE BABY MOVED!!!
I need to record this!
Let's see, what's the date today?
From what I read it is about time the baby should start moving.
Other people could feel it moving now too.
Everyone, come feel the baby!

Wait a minute.

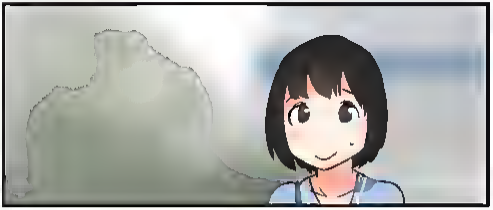


TEEN MOM
Chapter 23 University
For some reason, I feel sad.

Here, here's what I owe you.
No charge for pregnant women, ma'am.
Please, take it.
Boss Jane trusted us to take care of you. Don't worry about it.



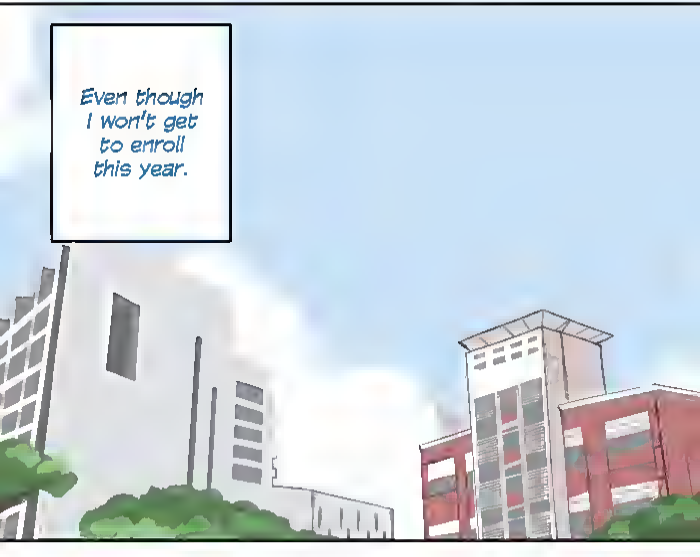
I'm off.
Thank you so much.



Today is another free ride for Fah.

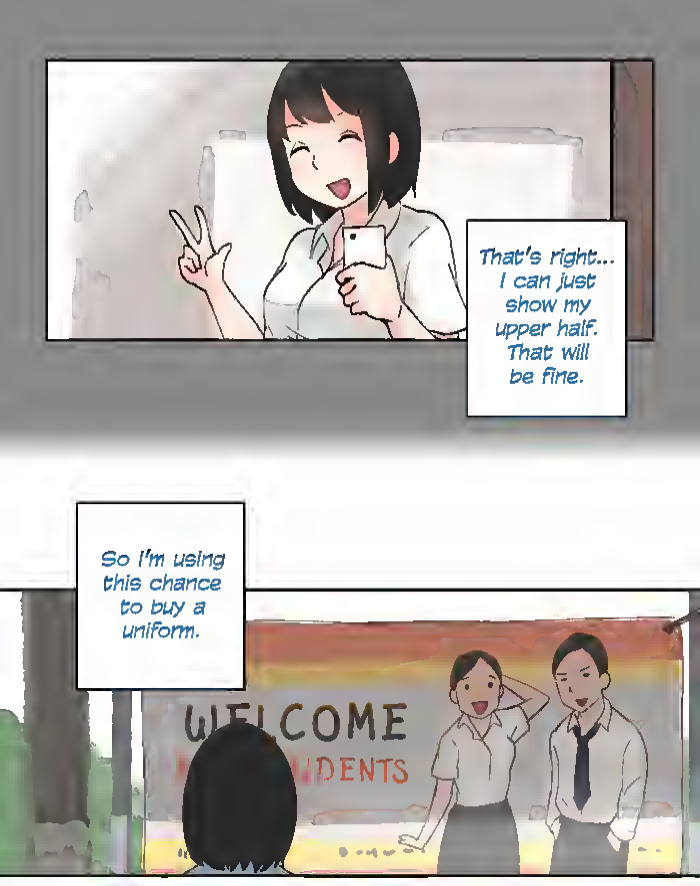
Roughly a week from now, university classes will start.

Now is when they have lots of events going on, so I wanted to take a look.



Actually, there is another reason I came by the university.
WELCOME
NEW STUDENTS
CONGRA
Festival
The other day, mom texted me.
MOM
I want to see my big girl in a university uniform!

YAY!
Ah... Just imagining it... If mom saw me like this I'd be in serious trouble

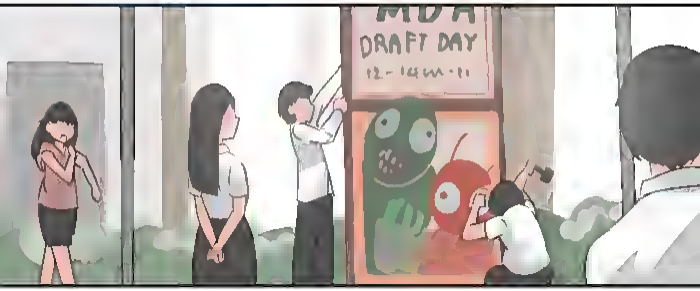


That's right... I can just show my upper half. That will be fine.
So I'm using this chance to buy a uniform.
WELCOME
DENTS

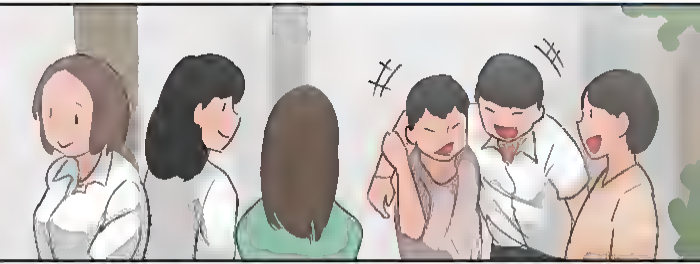
Look at that pregnant woman!
She looks so young
Is she from our university?

University life...

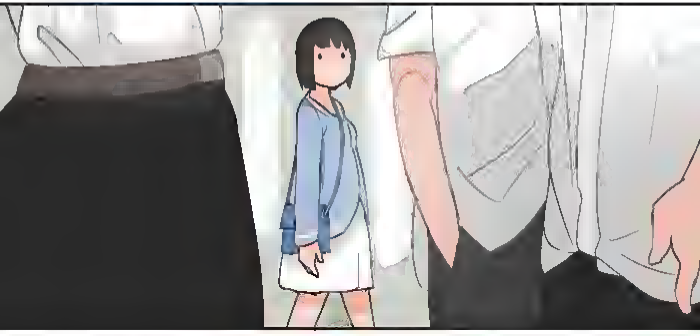
Looks really exciting.



The energy in the atmosphere and the drums echoing across the campus...



Meeting new friends, studying things we like together...



My university life...
Wait until next year.

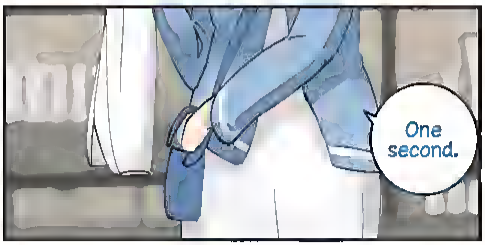
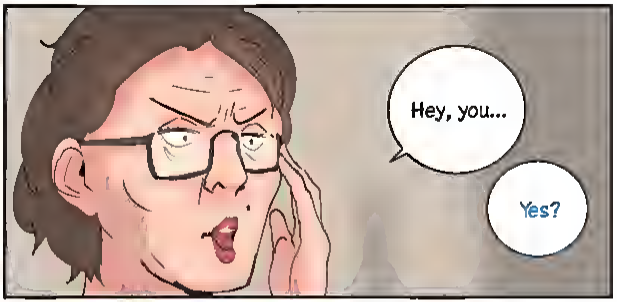
One L size uniform, please.

Two hundred.



One second.



Are you a student here?

Oh, no. Not now...

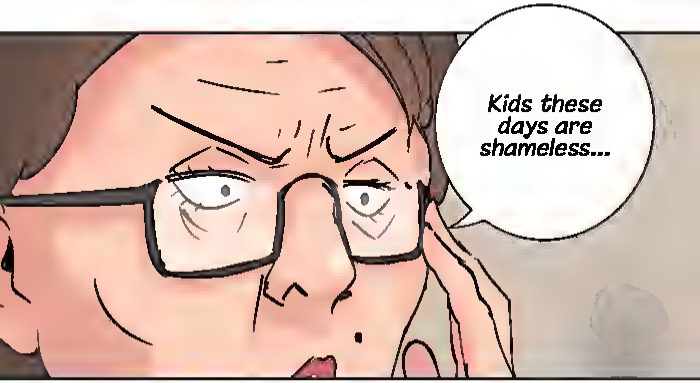
So why are you buying a uniform?

Just preparing. I don't think it will be too long until I get to wear it...

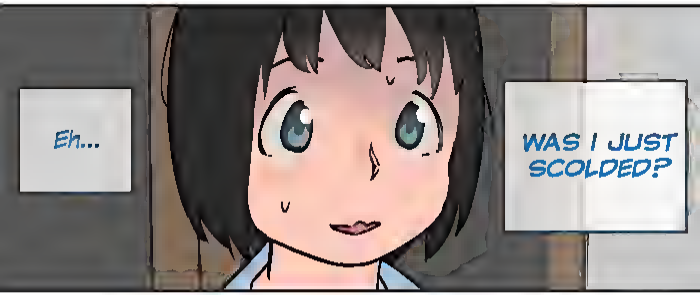
Hmm. Good. Take some time to *organize* yourself.

Eh?

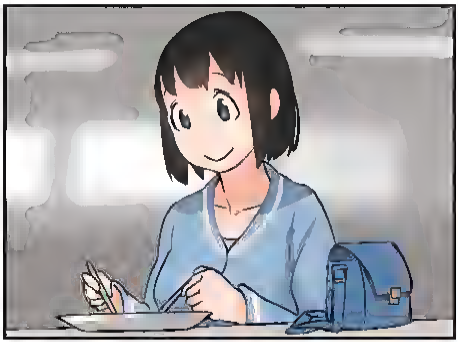
It would *reflect badly* on you in class if your stomach was *bloated* like that.



Kids these days are shameless...

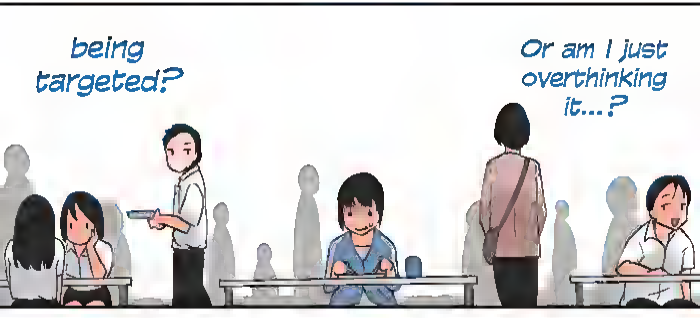


I'll get something to eat before I head home...



Hey, look at that pregnant girl.
Someone from our university?
Dunno.
She looks young.
Pregnant people can go to class too, you know.
Well, I guess so.
But yeah...
It depends on if they're *shameless* enough to even come in the first place, hahaha!
True. Like, if I was pregnant I wouldn't have the courage to leave the house.
All those gossips talking about me behind my back... Just like what we're doing now...
Oh, so you're going to get pregnant?
Find yourself a husband first! Haha!
SHUT UP, YOU HOE!!!

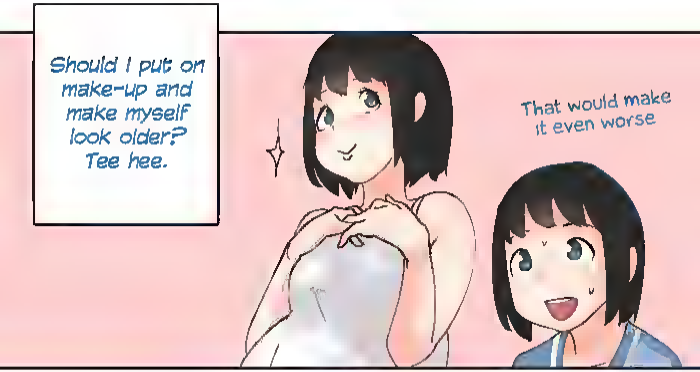
Am I...



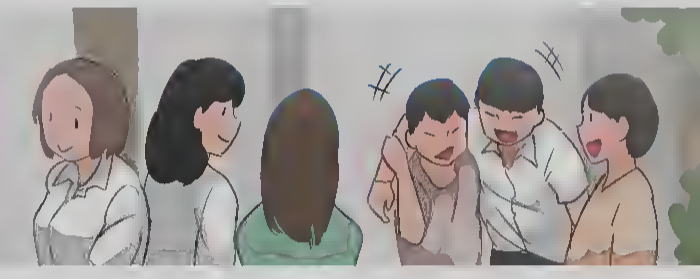
When I'm outside, nobody pays attention to me.

But when I'm in the university, I stand out.

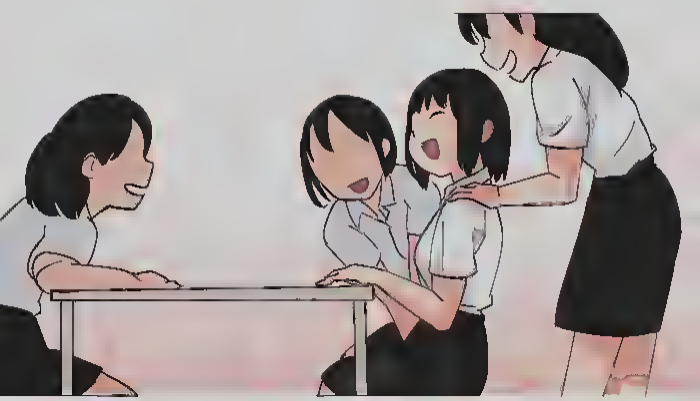
Maybe it's because they think I'm a student.



If I wasn't pregnant,



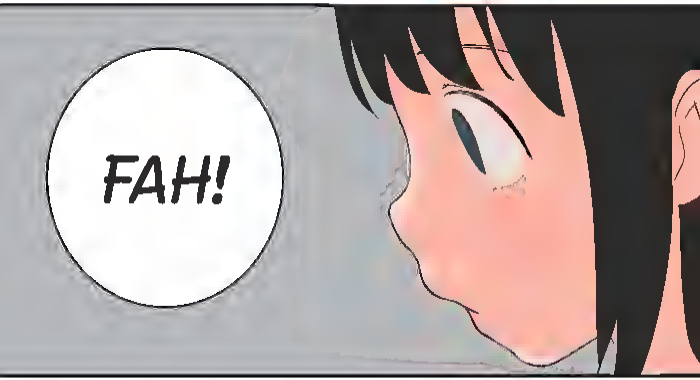
I would get to have
a fun university life
with my friends.



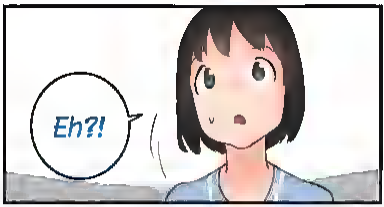
It's been two months since I've seen any of my friends from school.

Right now they're probably doing whatever they want.

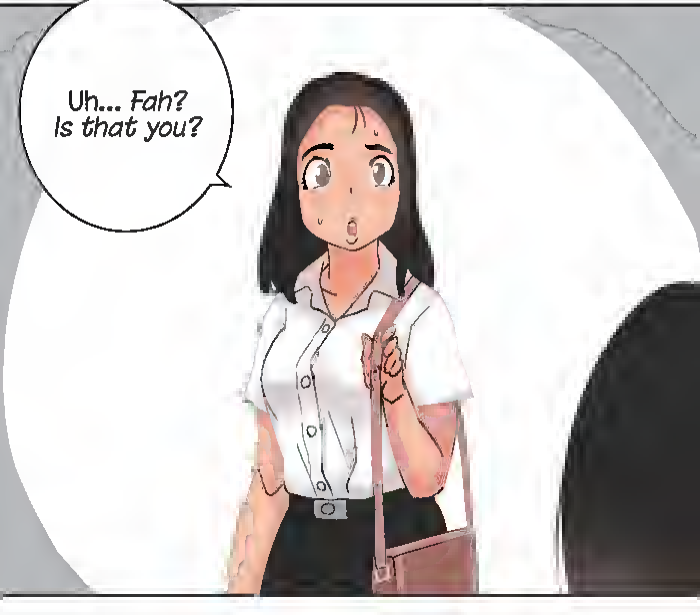
I miss my friends.



FAH!



Eh?!



Uh... Fah?
Is that you?
